

Revision

Make contact with your tutor as soon as possible by email. 

Make sure you know how and when you can contact your tutor. 

Practise visiting the web site and other key places you have been shown. 

Try joining in the on-line discussion forums about: 

- Deciding when and when not to use ICT
- Using correct terminology.

Notes

Workshop 1 Deciding when and when not to use ICT

Look carefully at your notes from Workshop 1. Write down the areas that you need to look at again:
